Subject: Daily Report for Sunday 6/3/18 Portland Harbor Pre-RD Investigation - Surface Sediment Sampling on R/V Cayuse

Attachments: [Daily Status Report\\_Portland Harbor\\_20180603\\_SurfaceSed.docx](#)

---

Sean and Davis,

Here is the daily report for Sunday 6/3/18 which includes oversight of the surface sediment sampling on the Cayuse. The Tieton was not operating on Sunday. On Saturday, the Pre-RD group informed us that sediment work for today was cancelled and they will let us know today whether work will resume on Tuesday.

Please contact me if you have any questions.
